**A&M Tennis Coaching @ Stonham Aspal Tennis Club**

Dear Member,

At A&M Tennis we provide some of the best tailored coaching in the county for adults and juniors whether you're an experienced county player through to those who aspire to just being able to play the game at a reasonable level.

As part of our philosophy to support tennis in local clubs, we are offering members at Stonham Aspal Tennis Club now for another year a £10 discount voucher (one voucher max per household) off their first two individual lessons or £10 off a group term fee with us. Offer is open to those who become members during 2012, but the voucher must be redeemed by 31<sup>st</sup> Dec, 2012.

The coaching team provide tennis lessons on an individual basis, run various group coaching sessions for all age groups Monday to Saturday during term time locally and at many schools across the county, manage fun Holiday camps for children during the holidays and above all provide social tennis for adults.

We at A&M Tennis have been going for a number of years and the team now consists of three coaches, are associated with many tennis clubs, and classified as an official LTA Places to play club. This in turn allow us to run many teams throughout the year, and members of A&M Tennis (small fee per annum) will get LTA membership free, discounts on tennis/sports equipment, and coaching to name but a few benefits.

Please feel free to contact us come winter or summer as we do run programmes and coaching throughout the year.

Yours sincerely,

**Martin Orton**  
A&M Tennis
