## Guidance Notes

Grants are available to students who have reached the state school leaving age but are continuing their educational studies.

The student must have been resident in the parishes of Stonham Aspal or Pettaugh for at least three years as at the commencement of the educational year for which they are applying for a grant.

Grants will be considered for each academic year separately.

Students who are 25 years of age or over at the commencement of the academic year, for which they are applying will not be eligible.

All applications must demonstrate a financial need.

All applications must declare any other grants or scholarships received or applied for in the academic year including any government support schemes.

A schedule of actual or estimated costs must be included with each application.

If a grant for a further year is requested then receipts for the previous year must be produced wherever possible.

Grants will not be paid until commencement of the period of study.

If the period of study is not completed then repayment of the grant in full or part may be requested.
